Getaways

Getaways provides a broad range of respite services and activities which are available in a number of ways, depending on your wants and needs.

Getaways currently provides the following services:

- Respite for Older Carers - Southern Region
- Fee for Service
- social outings and respite for the municipalities of Greater Dandenong, Casey and Frankston.

We offer:

- supported respite, recreation and leisure activities.
- safe and secure environments with skilled and experienced staff support.

Getaways outings are innovative and individually planned, delivering a wide range of high quality activities.

Our social outings and weekends away are always fun, providing long lasting memories and building new friendships along the way. These activities also provide people with a well-deserved break in a supportive environment.

Getaways activities cater for all individuals, including people who may have higher support or complex medical needs.
